“Thank you so much for your continued support. I am so blessed and thankful for all that you’ve done for me. Without my scholarship I would not be where I am today. I’ve received an amazing education that has given me incredible opportunities. I am looking forward to pursuing my master’s degree. It’s been incredible how things seem to be falling into place. God has blessed me with special people just like you in my life. You’ve given me the ability to do things I would not have had a chance to do. I cannot thank you enough.”

I truly thank you Coach Kevin for not giving up on me and am grateful to the Ben Hogan Foundation for accepting me as well. I was excited when I got the shirts from Robert awhile back so that I can represent the Foundation on campus every now and then, but this opportunity has meant a lot to me. I have loved the opportunities I've been given to give back through volunteering when I can with setting up for Ben Hogan events. Dean, I have appreciated

the lunches and check-ins you have provided me over the years. You didn't hesitate to check up on me after one of my tougher semesters, and my only regret is that I did not come to you more often... for food.

I'm excited for my future of graduating from Wesleyan with the skills and knowledge to help toward getting CPA licensed, and thankful to know that it will come with no debt. Thank you again Robert, Kevin, Dean, and the Ben Hogan Foundation for everything you've done for me!

"I am so thankful and blessed to have received the Ben Hogan Mentor Scholarship. Thank you for supporting me and my academic pursuits. To be the 5th Ben Hogan Foundation Scholar means I have the opportunity to receive a higher education and pursue my dreams of going to Medical School to become a doctor. I am so very blessed to be able to work with you, Evan and Michelle, for the next four years and create a bond through this amazing scholarship."
